Re: Direct Application to An Coimisiún Pleanála (ACP) in respect of a Strategic Infrastructure Development

Location: Townland of Ballydonagh, Kiltormer, Co. Galway.

Dear Sir or Madam,

Neo Environmental Ltd ("Agent") is acting on behalf of Ballydonagh Solar Limited (the "Applicant"), who are applying for a 10 year planning permission for a new 110kV Air Insulated Substation and associated grid connection infrastructure. The Substation is to facilitate the connection of the permitted Ballydonagh Solar Farm under Ref 2361049, as amended under Ref 2561903 and Ballydonagh Solar Farm Extension under Ref 2461749, as amended under 2660009, to the national grid. A Natura Impact Statement has been prepared in respect of the application for planning permission.

This project has been the subject of a Pre-application Stage consultation for Strategic Infrastructure with An Coimisiún Pleanála (**ACP Reference: 323805-25**). An Coimisiún Pleanála has determined that this proposed project falls within the Strategic Infrastructure Development consent process. In confirming that this project is a Strategic Infrastructure Development project it has identified 16 prescribed bodies that have to be notified in relation to this planning application. Accordingly, we are notifying you that the application has been lodged with An Coimisiún Pleanála on 27th of March 2026.

You are advised that the Coimisiún may in respect of an application or permission decide to:

- a) (i) grant the permission, or (ii) make such modifications to the proposed development as it specifies in its decision and grant permission in respect of the proposed development as so modified, or (iii) grant permission in respect of part of the proposed development (with or without specified modifications of it of the foregoing kind), and any of the above decisions may be subject to or without conditions,

Or

- b) Refuse to grant permission.

Submissions or observations may be made only to An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1 relating to:

- i. The implications of the proposed development for proper planning and sustainable development,
- ii. The likely effects on the environment of the proposed development, and
- iii. The likely significant effects or adverse effect on any European site.

Submissions/observations are for a period of 7 weeks commencing on 1st April 2026 until 20th May 2026. Any submissions/observations must be received by the Coimisiún not later than 5:30pm on 20th May 2026.

Neo Environmental Ltd (“Agent”) is acting on behalf of Ballydonagh Solar Limited (the “Applicant”), who are applying for a 10 year planning permission for a new 110kV Air Insulated Substation and associated grid connection infrastructure. The Substation is to facilitate the connection of the permitted Ballydonagh Solar Farm under Ref 2361049, as amended under Ref 2561903 and Ballydonagh Solar Farm Extension under Ref 2461749, as amended under 2660009, to the national grid. A Natura Impact Statement has been prepared in respect of the application for planning permission.

This project has been the subject of a Pre-application Stage consultation for Strategic Infrastructure with An Coimisiún Pleanála (**ACP Reference: 323805-25**). An Coimisiún Pleanála has determined that this proposed project falls within the Strategic Infrastructure Development consent process. In confirming that this project is a Strategic Infrastructure Development project it has identified 16 prescribed bodies that have to be notified in relation to this planning application. Accordingly, we are notifying you that the application has been lodged with An Coimisiún Pleanála on 27th of March 2026.

The Substation is to facilitate the connection of the permitted Ballydonagh Solar Farm under Ref 2361049, as amended under Ref 2561903 and Ballydonagh Solar Farm Extension under Ref 2461749, as amended under 2660009, to the national grid. A Natura Impact Statement has been prepared in respect of the application for planning permission.

This project has been the subject of a Pre-application Stage consultation for Strategic Infrastructure with An Coimisiún Pleanála (**ACP Reference: 323805-25**). An Coimisiún Pleanála has determined that this proposed project falls within the Strategic Infrastructure Development consent process. In confirming that this project is a Strategic Infrastructure Development project it has identified 16 prescribed bodies that have to be notified in relation to this planning application. Accordingly, we are notifying you that the application has been lodged with An Coimisiún Pleanála on 27th of March 2026.
